"The Champagne Lady" delivers these beautiful love songs with her own recipe for romance: put this CD into your stereo; call that special someone; pour two glasses of wine; light several candles; mix a touch of passion with a pinch of style, and voila. 17 MP3 Songs EASY LISTENING: Love Songs, EASY LISTENING: Crooners/Vocals Details: Among the favorite topics used by poets and musicians, "love" is probably the #1 favorite. They speak of troubled love, unconditional love, lost love, young love, impossible love, unrequited love, and forbidden love. Now and then, they even reference "perfect love." The Gift of Love is a collection of songs that speak of my favorite type of love . . . a love that is not only passionate, dedicated, determined, timeless, and exhilarating . . . but genuine and fun. This album delivers a message of love that is unmistakably intimate and sincere. The powerful lyrics ignite a spark of love, fan a flame of passion, or help revive a fading ember. They will guide you down the path of your own romantic memory lane, and/or lure you toward the door that opens to your romantic future. "The Gift of Love" is the perfect gift for Valentine's Day, anniversary, engagement, or anytime you simply want to tell that special someone you love them in a very special way.
