L.C. was writing lyrics and playing musical instruments as far back as his memory will take him. Ghetto blaster tape recordngs of lyrics on drum beats started his contribution to this growing culture. Many years passed and a lifestyle reflecting the evil side of hip hop brought him to his knees, in surrender, to Jesus. True discipleship and pastoral mentoring renewed his musical gift from God. Starting in 1997 L.C. began using his talents to express the Gospel in hip hop form, to a lost culture. His lyrics reflect Bible study and personal victory in Christian living. L.C. is Sean Reyes, Youth Pastor at Regency Assembly of God, Jacksonville, FL.
