

Mp3 Lovechild - Folk: Folk Pop

[DOWNLOAD HERE](#)

Lovechild, Jenn's first solo project, is a singer-songwriter acoustic blues-infused rock album with remnants of 1950's bubble gum pop. Previously released in the late 90s and a highly requested item, the album is available again for listeners. 12 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: Lovechild was formed in 1996 while singer songwriter Jenn Wertz was on hiatus from her other band Rusted Root. This self-titled CD received critical acclaim and some respectable college airplay before dissolving and morphing into the next Jenn Wertz project. Very catchy songs...
