

MP3 Mcfly Clan - When The Wise Points At The Onion...

[DOWNLOAD HERE](#)

Onion flavored funk 6 MP3 Songs in this album (30:26) ! Related styles: URBAN/R&B: Funk, HIP-HOP/RAP: Party Rap People who are interested in George Clinton Weapon of Choice Parliament Funkadelic should consider this download. Details: McFly Clan is a French band playing old school funk with a strong perfume of P . You surely wonder where French guys learnt to play the bomb . In fact they did not exactly learn it in France They made an encounter of the third kind, and the alien entrusted them with the secret of the funky onion : an onion that makes everyone who tastes it funky . So we can say they learnt the funk from space, and now it sounds much more realistic Their first album released in 2006, "Onion invasio", is all about onion, space and funky thangs. Now with this new CD, "When the wise points at the onion...", McFly Clan pursues its inexorable conquest of the known, unknown and last but not least-, misknown universe.
