

Mp3 Method In Madness - Rekonstrukt

[DOWNLOAD HERE](#)

A collection of banging electronica, funk, latin house amalgamations, excellent for the dance floors, raves parties. 50 minutes of pure groove. 11 MP3 Songs ELECTRONIC: House, URBAN/R&B: Contemporary urban Details: Tokyo London based Method in Madness is a one man wonder, who successfully combines a unique blend of funk, latin, hip-hop, electronica and soul to culminate in some rich danceable grooves. Familiar reference points are United Future Organization, DJ Krush and Weather Report. An active part of the London session circuit, MIM has worked around the globe cutting tracks in Peter Gabriels Realworld studios as well as with some top ranking artists (Jhelisa Ayub Ogada) as a professional Bassist. Through it all, his heart was anchored in the desire to create his own un-predictable original music. Some of his music has been moving the crowds at famous London spots such as the 333, Cargo, Portobello market. "Bangin beats, awesome basslines, great remixes. We're diggin' it!" Ian Williams, London based event organiser. "This IS cool!" DJ Mayumi, Bay FM / Edogawa FM. NEWS: "Mystic Journey" "Gaurdians" as featured on Freedom Of Choice Vol.1 are already popular downloads on itunes in Japan are recieving frequent airplay in Tokyo Yokohama. Thankyou all listeners for your continued support.
