With solid hooks, quiet voice, and great playing this Portland Oregon based singer/songwriter gently eases the senses with 10 songs for everyone. This album is filled with simple words and melodies that will leave you humming. 7 MP3 Songs in this album (20:24) ! Related styles: FOLK: Progressive Folk, POP: Quirky People who are interested in Elliott Smith Bonnie Prince Billy should consider this download. Details: Around the age of seven Michael began playing the banjo, piano, guitar, bass, drums, and cello before settling into the rhythm of studying percussion in college. Throughout these years his musical taste was cultivated by Boogie Woogie piano, grunge rock, prog jazz, impressionism and modern Classical music and indie rock. Though styles, instruments and incarnations come and go, Michael remains predominantly a solo songwriter and recording artist. There is not much different about Michael's small seven year old voice singing Silent Night while quietly strumming the autoharp and the way he sings his songs and strums his guitar today. On "Nobody Told Me" Michael Kitson does it again, this time with a supporting cast of players from his once home base of Ashland, Oregon. Adding to the foundation of these songs are: Matt Fargo (MIDI Drums, Track 3) Garron Keeney (Drums, Tracks 1,4,6) Patrick Reinbolt (Bass, Track 6) Brent Webber (Sax, Track 4) Carlos Zuniga (Spoken word in Quechua, Track 6)
