

Mp3 Michel Amendola - Land Of Freedom

[DOWNLOAD HERE](#)

For guitar lovers; world beat music with Spanish flavor and strong melodies. 12 MP3 Songs WORLD: World Beat, EASY LISTENING: Mood Music Details: Michel Amendola guitar playing, goes from al di meola to steve ray vaughan and also from allan holdsworth to john mclaughlin. but even if is guitar technic is undeniable, Michel never leave behind the soul and the spirit of the music. in this project, Michel wanted to show a smoother side of is playing, focusing more on the strong melodies and the color of the music. this is a completely self produced album. (This is my first album release, and it's nice to think that somehow, my music will live forever)
