"An amazing first effort." This EP contains great pop rock melodies that are smoothly crafted from an alternative viewpoint 5 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: NV enjoys a unique collaborative songwriting style that they have been refining since the group formed in April 2001. It includes driving, hard rocking drums, smooth and solid bass grooves, and heavy yet acoustically flavored guitars. Standing atop this instrumental modern rock foundation are hook driven power pop melodies. The result of this combination is a sincere, refreshing fusion new to the rock world. This band is based in Los Angeles, California. Looking is the first recorded work by NV. This CD features the unique lead vocals of both Alyssa Ruschak and Carrie Turner. The recording also features the intense playing of Chris Sutor on Guitars, Mark Kelley on Bass, and Blake Paulson on Drums Piano.
