Hard hillbilly with an evil punk bluegrass feel. Heavy acoustics, creepy violin, driving banjo, and some upright bass thumpin. 13 MP3 Songs in this album (38:40) ! Related styles: COUNTRY: Outlaw Country, COUNTRY: Bluegrass People who are interested in Johnny Cash Hank Williams III should consider this download. Details: Murder, whiskey, guns, drugs, and the Devil. These are the things that fuel the music of Pushin Rope, a five piece hailing from the dusty hills and empty wastelands of San Diego, California. Combining the best of traditional outlaw country, old time bluegrass, delta blues, and a manic dash of DIY punk and rock roll, these five gentlemen have created something quite unheard of in Southern California: a foot stompin', head boppin', hootin' and hollerin' tour de force of Americana. Murderous Songs Of Despair is an album that will kick you in the teeth, hold you down with a boot heel to the throat, center that shotgun right between your eyes, and demand your strict undivided attention.
