A mixture of beautiful pop R&B melodies with a sexy dance edge plus Philadelphia soul. 9 MP3 Songs POP: Pop, URBAN/R&B: R&B Pop Crossover Details: In a time when synthetic melodies, uncreative lyrics, and mediocre vocals tend to rule the airwaves, the industry is starving for creativity that falls within their formula. The public is hungry for freshness, and seem to be disgruntled about the limits of the current Top 40 rotation. The public has spoken and we have the statistics to prove that they want Santalina! Santalina has been called "The Face of MSN.com" due to her frequent appearances on their home page which gets over 250,000,000 hits daily. Her picture has appeared on the front page 19 times since July 2006 for a total of 4.5 billion views. MSN has set up countless links going directly to her page throughout the summer/fall. This massive amount of awareness is due to her five-part mini-documentary conducted by Sprite Soda for their "Exposure" campaign featuring Violators Chris Lighty. View the five part mini-documentary at exposure.msn.com. After performing all over the US and developing an undeniable fan base, it is evident that Santalina is poised to be the next big music sensation. People who are interested in Madonna Janet Jackson Jennifer Lopez should consider this download. Tags: pop
