JAZZ: Smooth Jazz, JAZZ: Jazz Fusion Details: This CD is full of smooth and polished sound of jazzy tunes. Taste of the great era of Jazz Fusion Bands in the 1970s-80s is vividly recreated by S. Kawahara with more than 30 years of music life since he started composing, arranging, playing, and singing cozy Jazz music. If you like sound of jazz fusion piano, "The Streamliner" will grab your ears right from the start. You need adult oriented music ? Ok, you will love gentle voice in "Another World". Peter Boehi, DJ of SmoothVibes Radio wrote: "I added your track "Night Flight" to our playlist because it fits very well and I like the vintage touch of the song." Relax and enjoy well tailored texture of harmony and groove for grown up audience. This album is also available worldwide from iTunes Music Store.
