emotionally charged pop/psychedelic rock...at the core of this album are simple, pretty songs written by real people with real lives. 13 MP3 Songs POP: Power Pop, ROCK: Psychedelic Details: Two former guitarists from the Madison, Wis. band Ivory Library have formed Squarewave. Their music ranges from dark, sparse electronic/acoustic songs to dense psychedelic guitar work. Always melodic and honest, striving for the real emotion in their songs. Their past work has garnered national critical acclaim from Rolling Stone, Alternative Press, Billboard, Option Magazine as well as numerous midwestern state and local papers. Their approach has always been low key and they continue to fly under the radar. "Stark, gray....alluring" Rolling Stone "Emotionally dynamic" Alternative Press "Music that remains in your thoughts long after the stinger has been removed" Nites Sites and Sounds "Intelligent, haunting" Ptolemaic Terrascope (England) "Sophisticated confluence of the heart and mind" Milwaukee Journal "Ambitious and startling" The Isthmus "Pure inspiration" Option
