electronic, down tempo, chill, dance 7 MP3 Songs ELECTRONIC: Down Tempo, JAZZ: Acid Jazz Details: torso is Louis Selvitella and Lee Leffler, two members of the Boston music scene who began making new music in 2004. Combining fretless bass and classical guitar with electronic sounds, torso's music incorporates everything from Coltrane era jazz to electronic dance to post punk and more. Jazz Review Magazine - "The slow grooves coupled with electronic funk and some well placed soul-oriented influences make this recording worth a listen." Think Magazine - Singapore "This CD is definitely something that you can sit in the bar and lounge to for hours on end, relaxing in the harmonies of nu jazz." Properly Chilled Magazine "Tense, edgy, jazzy, and with a strong groove...nice." Jive Magazine 5 out of 5 rating Exclaim Magazine - Canada "Hipped-up live instrumental 'electronic' music... what makes it a great disc - are the beats and attention to melody." bc MAGAZINE - Hong Kong "It's mellow to a chill point but funky elements keep the listener pleasantly grooving to the beat." Broadjam.com "Cool production. Acid Jazz with a Hip Hop sense. Miles meets Fatboy Slim." Taxi "I like the mix of electronica and jazz and your production has fat sonic quality that's very satisfying."
