They say to be careful what you wish for... My Wish Was Her Command © 2008 by Dan Moran When one man finds himself wishing for a little light S&M in his marriage, he talks to his wife, who has never done such things. But experience isn't everything. At first timidly fulfilling her husband's fantasies, Justine soon gets into the swing of things, surprising him by increasingly taking command and pushing both of their limits. Now that he's started this, he's not sure that he can stop it... and more importantly, he's not sure that he wants to. True love and kinky fun heat up this tale of one couple exploring what it means to love and obey!
