Answers to the most common-and most controversial-questions about creation evidences. In The Creation Answer Book, renowned Bible scholar Hank Hanegraaff brings to life the answers God has revealed about His magnificent creation-our universe, light and time, the earth and all who inhabit it. The popular Q&A format provides a clear and concise biblical view of the ordering of events through divine authority since the beginning of time. A must-have for Christians who face the argument of evolution and for non-Christians who are searching for truth about our origins. This book will help Christians understand more about creation and God's plan for our world. Includes answers to frequently asked questions such as: Can the big bang theory be harmonized with Genesis? Is there evidence that humans and dinosaurs walked on the earth together? How serious are the consequences of believing in naturalistic evolution? Can we be certain that evolution is a myth?
