This collection of truly superb horror is a must for all readers interested in only the best! Everyone knows someone that has a friend who has a relative that's seen a ghost or lives in a haunted house. From ancient Mayan civilizations to the cursed tombs of the pharaohs buried under hundreds of tons of sand to the modern church, humanity has displayed a deep yet unquiet respect for those that have departed before us. Where they go, we are unsure. What experiences they face after this life is still shrouded in mystery. What will the future hold for humanity? Are we always to be haunted by the past atrocities laid at our feet by our blood-stained ancestors? Are we to bare the tainted souls of the damned forever? It is these questions that Shawn Madison answers in pure and eerie verve that we as a dark and twisted race have come to expect, to depend upon. Author: Madison, Shawn P.
