Ewhiz Ad Creator V.1 is a software tool that was designed to run on Windows machines and will walk you through the steps of creating profit pulling eMail ads. I realize that most webmasters have no clue how to formulate their ads. They merely write an ad and hope for the best. This is precisely why I have created this new software tool. Chances are, that if you are reading this sales letter, you are atleast somewhat interested in creating successful eMail advertising campaigns.. so please keep reading to find out all of the exciting details and what eWhiz Ad Creator can do for you... I created this product for my own personal use because I needed a way to make uniform profitable eMail ads for all of my digital products. Since it has helped me to not only make money, but save money.. I decided to package it up and offer it to my clients and subscribers so that they too can enjoy the benefits - so that is what I have done! What would you say if I told you that today, you could start using eWhiz Ad Creator and..... Avoid the expense of hiring a copywriter. Create Your Ads in minutes. Learn power words, power headlines, and power statements that command attention. Generate headlines like the pros. Generate Pre-Made Solo ad templates to use that have been proven to produce profits. and so much more! Tags: ads
