A determined guard dog with true family appeal, the Hovawart descends from German working farm dogs of the 13th century. The breed's name, in fact, descends from the Middle Ages, and translates as "farm guard." A rare breed outside native Germany, the Hovawart has many followers in Europe and a growing fancy in America, making this Special Rare-Breed Edition a vital resource for all admirers of this breed. Written by two of Europe's most acclaimed breed authorities, Francis Dedier and Viviana Pavan, this colorful and comprehensive volume discusses breed history, characteristics and standard as well as health care, obedience training, puppy selection and housebreaking.
