Absentee resellers sell many digitals for less than I do, but quite often getting something for less. is accompanied by less of everything...connecting with them is less, so customer service is less, getting support for issues with the product file or download is much less. They don't charge much of anything for what they are trying to sell so why should they devote time to servicing what they don't profit on? I on the other hand am not an "ABSENTEE" seller, I am just a click away (Mon - Sat) for support and product issues should they ever arise. I answer all email promptly. Why? Because I genuinely want to do business you! ;-)...Test me! Use the "CONTACT SELLER" link near the top of this page just under the ebox! Use the contact form and for "Subject"= Just Testing! I will respond with a FREE (no charge) small software treat and these few words: Leonco at your service,

thank YOU for testing my Tradebit form and my credibility!
