Here's An Essential Guide You Need To Take Advantage of This Powerful Free Source of Traffic and Build Quality Backlinks... Dear Visitor, One word - traffic. If you just had enough of it could you imagine how much more you'd be able to make? or how many subscribers you'd be able to mail out to? You've tried several traffic methods with no success: - Spending hundreds even thousands of dollars on Pay-per-click without getting the return on investment you expected - Wasting time advertising using traffic exchange sites with poor responses - Spending money on banner advertising without getting the results you wanted - Learning everything you know about SEO and trying to "figure out" how to get your sites on the top of the search engines. One day your site is on the first page and the next it disappeared. It's painful and frustrating! I know. I was in the same boat until I found a reliable source of traffic. Not only is it reliable, but it's highly targeted, builds quality backlinks for your sites and gives you a steady flow of visitors... The secret source? Simple - Articles. It's a Traffic Tactic You Have To Put At The Top of Your List... The fact is search engines love articles. It loves article directories like EzineArticles because it has thousands and thousands of content-rich articles. All these articles are being read, reprinted on other

sites and most of all they are generating traffic to the author's site. You leverage on these high traffic article sites by simply writing and submitting your articles to these sites. But I Hate Writing! I hear you. Writing may not be on your strong side. Article writing doesn't have to be painful. All that's required is a content-rich, keyword- rich 400 word article and you're done. The more quality articles you submit the more traffic you'll get, the formula's that simple. But Where Do I Even Start? That's why I've written a special report covering article marketing. Introducing... 'The Internet Marketer's Guide to Article Marketing'

In this special report you'll discover... The bare essentials you need to know about article marketing The big benefits of harnessing the power of article marketing and why it is a must-have in your promotional strategy Getting started with an effective article marketing strategy, and how to make use of article marketing strategies Four types of articles you can write. You'll never run out of ideas using these four examples. How to optimize your anchor text and why the keywords you choose is important Ways to diversify your articles to offline modes How to research for keywords for your articles Tips on how to write better articles from being "personal" to avoiding grammatical mistakes and 12 other tips to improve your article writing. How to submit your articles to promote your products/services Seven rules you should follow when submitting your articles How to write an effective resource box/about the author box. Your resource box is a critical part of your article. What to avoid in your resource box Going viral with article marketing + much, much more! I've only scratched the surface of what you'll gain from this report. License Terms: [YES] Includes a reseller site [YES] You may resell this product.
