Elliot Smith and Jeff Buckley fist-fighting in a convenient store parking lot under a full moon. 10 MP3 Songs FOLK: Folk Pop, ELECTRONIC: Pop Crossover Details: REMEMBER is melancholic, dreamy, and as seducing as a warm bath in total darkness. Acoustic guitar and dobro with layers of treats and beats and ad hominems. Cello and upright bass round out the sultry sounds of intrigue. Andre Lamar is an independent artist living in Austin, Texas though by the time you read this he may be in Costa Rica, New York, the Canary Islands, or who knows where, following his muse.
