A mix of Southern Rock and Country, Bluegrass 14 MP3 Songs COUNTRY: Country Rock, COUNTRY: Bluegrass Details: I wrote the title song "Lets All Rise Up For The USA" right after 9-11. I along with all americans could not believe this could happen in America. But as a nation we did stand up and answered the call to terrorism to defeat this terrible enemy. So as the title song says "Lets All Rise Up For The USA"..... This album has been done in Karaoke with CD+G If you put it on a Karaoke player it will show the words. Songs 1 thru 7 are the guide vocals..... And 8 thru 14 are performance tracks..... I would like to thank the Rim Shot Band..... for all there hard work...there was alot of hours.... On Double Kick Pearl Drums..... My son 13 year old RJ Dorsey.... "Look out Ronnie Tutt, RJs on his way".... On Lead and Rhythm Guitar and backup vocals.... Bill Carper..AKA... "Whale Bone Bill"..... In the Blues world..... On Keyboards, Bass Guitar and Lead Vocals..... Me...Bob Dorsey I want to say a special thanks to RJs Mom and my wife..Julie Dorsey...who without her support this album would not be possible..and also she the reason for the "Fantasy Song" "Love You Bunches" And thanks to South Carolina letting me live in your wonderful state. "I think I've died and gone to heaven" I hope you enjoy the album... "Thank for listening"
