

## Mp3 Goose Vargis - Rock: Modern Rock

[DOWNLOAD HERE](#)

An edgy, modern, classic rock band with hints of punk and blues. 9 MP3 Songs ROCK: Modern Rock, ROCK: Classic Rock Details: Goose Vargis is an edgy, melodic, rock band. Their style is unique and addictive as they fuse classic rock with a modern flavor. "Goose Vargis combines blues, punk, and rock into an aural tapestry that has been rarely achieved in rock music" (Mike Parillo of Modern Drummer) Their creative style and uncanny improvisational skills has warranted people to compare them live to The Cream. They've also been compared to The Youth Brigade, from the hints of punk in their songs. The band sees themselves as a cross between a heavier, more guitar oriented, The Police and The Doors (without keyboards). Goose Vargis's debut self titled album was recorded by the renowned Paul Speer at Rainstorm Studios. It features 9 tracks that represent the different styles of the band, combining hooks and melodies. You can find hints of punk and blues standing out. Goose Vargis's name comes from an explorer of the 1500's for the band sees themselves as explorer's of music, and enjoy being on the edge and taking chances.
