Jacob is worcester massachussetts' answer. smart and prolific commentator on the world's status thru stuffed animals, giant squids, never tuned guitars and the internet. 12 MP3 Songs FOLK: Folk Pop, ROCK: Punk Details: Worcester Mass, year of the goat, sign of the crab, Jacob is a shopping cart pulled out of the lake with lake-skin clinging to it. his songs are about finger foods and also-ran comic book heroes, but they're also about being crushed by the world, and floating above it like a wave. Jacob especially prepared his new hit home-pop jelly roll of an album "foreign policy" to be in tune, a bold but uncharacteristic move that will possibly impress. oh shit, the dog's got a deer leg in its mouth. where'd the dog get a deer leg?
