Takes us on a rich sonic journey weaving drums, trumpet, saxophone, accordion, vocals and nylon string guitar with the warmth and beauty of Jami's electric and acoustic cello. 9 MP3 Songs NEW AGE: Healing, WORLD: World Fusion Details: SECOND SIGHT is a powerful and engaging follow-up to Sieber's first internationally recognized recording, LUSH MECHANIQUE, which was featured nationally in HEAR Music stores, and Barnes Noble. A departure from the solo instrumentation of her first recording, Second Sight artfully weaves the rich complexity of Sieber's electric cello with drums, trumpet, saxophone, accordion, vocals and nylon string guitar. The result is provocative and masterful. Second Sight features Rhiannon (Bobby McFerrin's Voicestra), Julie Wolf (Bruce Cockburn, Ani DiFranco), Ben Smith (Heart), Erika Lockett, Cary Black. Track number two, "Tell it by Heart," was composed for the soundtrack of "Climb Against the Odds," a documentary on breast cancer which premiered nationally on PBS in the spring of 1999. Richard Farina's original arrangement of "A Swallow Song," and a poem entitled "Tree of Love" by one of Sieber's long-time collaborators, Charlie Murphy, add unique depth and dimension to an already outstanding recording. "This rich sonic journey weaves the warmth and beauty of Jami's unsurpassable electric and acoustic cellos with drums, trumpet, sax, piano, accordion, vocals and nylon-stringed guitar...A delicious variety in arrangements, too, ranging from the full richness of bass, drums and vocals plus cello, to the poignant simplicity of solo cello. One of the most talented musicians we know has gifted us with another expression of her art." --LadySlipper In addition to Sieber's solo work, she often tours with Ferron, Rhiannon, and Jennifer Berezan.
