An explosive mix of genres from folk/hip-hop to indie punk. 12 MP3 Songs ROCK: Modern Rock, ELECTRONIC: Experimental Details: Jane Jensen is not your typical singer/songwriter with an acoustic guitar- Jensen's voice is strong and sexy, her guitar lines rooted in the Delta blues, and her subject matter-- sin, salvation and the devil. Jensen uses her voice like Coltrane used a saxophone; within a single bar she goes from coos to whispers to down-and-dirty growls. - New York Magic "Burner" is raucous and introspective- a sonic gem. Jane has been described as the love child of Beck and Kim Gordon and this CD clearly bears that coupling. Jane is proud to be a performing member of "indiegirl", a consortium of independant artists.
