

# Mp3 Jenny Jen & Taki76 - Disco Kryptonite

[DOWNLOAD HERE](#)

Sounds like Bootsy Collins and Blondie trapped in a dusty ATARI cartridge played on a gigantic boombox. Old school organic and analog synth space funk guitars and mu-tronic basses. 14 MP3 Songs in this album (36:04) ! Related styles: URBAN/R&B: Blaxploitation, ELECTRONIC: Electro People who are interested in Prince Daft Punk George Clinton should consider this download. Details: Here's what some incredible funksters people in the entertainment industry are saying about Taki76's music: \*Jon Favreau (actor and director of IRON MAN, ELF etc) "Good stuff" -----  
\*COSMO D (from legendary electro funk group NEWCLEUS) "Dope!" -----  
\*Jemaine from FLIGHT OF THE CONCHORDS: "Your music's great. Good luck with it"  
----- \*Lonnie MEGANUT Marshall from Weapon of Choice: "TAKI IS ON SOME WHOLE NUTHER SHIFT! CHECK HIM OUT CLOSELY!" -----  
\*Legendary funk band PURE ESSENCE: "Damn.... off the wall and hook. No matter what anybody says .. Bad Mother in our book." ----- \*Donal Logue (actor Blade, Grounded for life etc) "Love the old school funk you got going on. You are what is great about 1976"  
----- \*Joi (solo artist, OUTKAST etc) "Your music is divine. Mucho Bueno Mi Amigo. I dig it tremendously" ----- \*Sy Smith (solo artist, Usher, Whitney Houston, Meshell Ndegeocello) "Good ole brotherly-lovin'-bred funk... Mellow grooves, tight improvisation and melodies made from molasses... This is a different kind of Philly funk... the kind of funk that transcends trends, the kind that lasts much longer than heartburn from a cheesesteak! D-LI-SHUS!"
