"Singer/songwriter John Hatanaka digs deep with his blend of unique heartfelt lyrics and original acoustic melodies in order to touch his audience and let them feel as if they were there with him as he was writing his work. 14 MP3 Songs in this album (44:30) ! Related styles: FOLK: Folk-Rock, EASY LISTENING: Mood Music People who are interested in John Denver Cat Stevens Jack Johnson should consider this download. Details: Rules of writing songs: 1. Must be in the mood, yeah but its more then that..... there must be a reason for writing the song.... but there's more.... it really just can't be explained, it just clicks, like the seat belt sound. I don't know why I even wrote a "1" up there because I'm never going to get to two. Unless I just jinxed myself..... shoot. Good friends have asked me why I like running "what are you running from no ones chasing you?" I guess its the sunsets, sunrises, moonshines, and the occasional unknowns that you remember a year later, while eating a banana with all your scuba gear on in Cozumel right before a dive. So for all the laughs that happen way after the joke thank you somebody. Pick up a guitar play a tune or draw a picture. Improvisation started with somebody's pencil, or somebody's pick. They were just like.....time to go off... and the perfect drumbeat comes from the heart. I smiled when I realized that phrase, while driving up to begin the the approach of another climb.
