From timeless English and French carols to haunting folk tunes and spirituals, HEAVENLY PEACE is guaranteed to become an all-time holiday favorite. Madisons pure, uncluttered soprano, accompanied by the enchanting strains of Anne Jackson's Celtic harp, weaves a soothing spell of Christmas magic that will warm both heart and home. Proceeds from this CD will benefit the Michael J. Fox Foundation for Parkinson's Research, in memory of Madison's late grandmother who recently lost her battle against PD. Madison's mother, a university professor, has also been diagnosed with the disease. This cause is close to my heart, Madison says, and by supporting the Fox Foundation, we know that the money will be put to work to help people and to help find a cure for Parkinson's." Madison is already well known for serving the community through her music. Her first CD, DREAMS LAST (coming soon to cdbaby!) is a collection of soft pop/rock tunes that raised thousands of dollars in regional distribution to aid the homeless. Madison also performs for a wide variety of charity events, and her uniquely soulful rendition of the National Anthem has won acclaim all over the Southeast. But fans of all ages have called HEAVENLY PEACE the best yet. Don't miss it!
