Hip Heart Soul Music. Music From The Heart Soul 22 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Southern Style Details: THE VOICE: FROM BAMA 2 BAGHDAD was a project that wrote itself. I know that sounds strange, but when I arrived in Iraq I was frustrated with the state of Hip Hop and it's lack of creativity, lack of individualism, and basically the lack of love for the art. Six months later after conversations with Soldiers, Contractors, TCN's (Third Country Nationals) Iraqi Citizens, and Iraqi Soldiers who served under Saddam along with my own experiences the project began to take form. I started thinking about my beginning coming from Lanett Alabama, and ending up in the hostile environment of Iraq and I begin to write about that journey. The Voice details life highs and lows, and the day to day struggles that we all must conquer. This project will take you on a emotional roller coaster that will make you laugh, cry, dance, and most of all THINK.
