

Mp3 One Time Clikk - And So It Is

[DOWNLOAD HERE](#)

Packed with great production and very descriptive lyrics, this sound has a southern undertone and is very diverse as far as lyrical content...the new dirty south sound. 15 MP3 Songs HIP HOP/RAP: Southern Style, POP: Today's Top 40 Details: One Time Clikk (OTC) is based out of Riverdale, GA. The group consists of two brothers, Reaper Mike and Killa B(kb). OTC has been on the underground circuit for about seven years and in 2001, they decided to start a production company and give the world a bona fide album. Their sound is a mix of the deep south, northern California, and a little of the mid-west styles. Reaper Mike and KB were born in the south but they have spent some years in all these places. OTC focuses on the truth side of rap; they are not into commercialism. They are known for descriptive story-telling over some the greatest beats you will ever hear!
