Tim Buckley on Acid John Prine on Crack 5 MP3 Songs FOLK: Folk Pop, FOLK: Political Details: This body of work was unearthed from a small box found on a farm in a hay loft in rural Vermont. It simply said "Get the word out, Samy's Comin'!" The folks that found this CD couldn't believe what they were hearing.....Was this Tim Buckley on a bad acid trip? John Prine on Crack? Is he related to Elliot Smith? Who was this mystery man and when was he going to make his return, and WHERE? Ah SAMY, SAMY.....is there a clue in the lyrics or is this just good old fashion porch music?
