True North's 3rd studio album to date. The best work yet by a band whose time has come. 10 MP3 Songs in this album (46:53) ! Related styles: COUNTRY: Contemporary Country, COUNTRY: Country Pop People who are interested in John Hiatt Rascal Flatts Montgomery Gentry should consider this download. Details: True North has released their fourth CD, entitled Dimestore Hemingway. The CD showcases what audiences across the heartland have come to expect, honest songwriting placed atop a muscular musical foundation. The CD was recorded at Creative Caffeine Recording Studios, Nashville, Tennessee, with noted producer Jeff Brock at the helm. Be it modern country, Americana, or roots rock, the group continues to deliver in stellar fashion. The songs suggest that at least some of the members are beginning to feel the years slipping by, hope tempered with fatigue. Looking forward, but not flinching about looking back, wondering as the first track suggests, if Youth Gets Wasted on the Young. A nod to heroes such as Johnny and Evel. The power of a piano, and a night with the fullest of moons. The pain of living reckless, and the power of redemption. Real songs about everyman, with no apologies offered or intended. The reason True North keeps topping Best Of polls, and gets called for soundtracks for PBS specials. The best work yet by a band whose time has come.
