

The Moslem World

[DOWNLOAD HERE](#)

1907. A part of the foreign mission study courses, edited under the direction of the Young Peoples Missionary Movement of the United States and Canada. This is a textbook on Mohammedanism, suitable for use in the mission study classes of the colleges and universities. It discusses the real character of Mohammed and the real doctrine and moral value of Islam, as well as its widespread aggressive power as a missionary religion. Product Details
