

1549 Rebellions And The Making Of Early Modern England

[DOWNLOAD HERE](#)

A major study of the 1549 rebellions, the largest and most important risings in Tudor England. This is a major study of the 1549 rebellions, the largest and most important risings in Tudor England. Based upon extensive archival evidence, the book sheds fresh light on the causes, course and long-term consequences of the insurrections. Andy Wood focuses on key themes in the social history of politics, concerning the end of medieval popular rebellion, the Reformation and popular politics, popular political language, early modern state formation, speech, silence and social relations, and social memory and the historical representation of the rebellions. He examines the long-term significance of the rebellions for the development of English society, arguing that the rebellions represent an important moment of discontinuity between the late medieval and the early modern periods. This compelling history of Tudor politics from the bottom up will be essential reading for late medieval and early modern historians as well as early modern literary critics. EAN/ISBN : 9780511364242 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Wood, Andy
