Band Aids is an organizational guide for early career band directors and for more experienced directors seeking new organizational and management strategies and approaches for their school and community bands. The authors present a practical approach to organizing, managing, and teaching an instrumental music program. Classroom management, instrumentation, starting beginners, parent organizations, band trips, and assessment are among the relevant topics presented and discussed. This text is an invaluable guide for directors searching for assistance, not with music skills, but with the day-to-day teaching and management of a band program. "Tips" and "Key Points" enable a quick review of material covered. Author: Dust, Thomas J.
