"Music that evokes the Spirit of the Land" New age, electronic orchestral music to soothe and calm. 8 MP3 Songs NEW AGE: Environmental, NEW AGE: New Age Details: "Enchanting!" - Donovan "Excellent travelling music! Listened to it over and over for hours at a time...Some of the most visually centered sounds we've heard. Gathering Spirits is sure to awaken your heart. Highly recommended!" -Steve Ryals New Age Retailer Magazine "This is what New Age music is all about, connecting the spirit of the land with the Soul of man." -KRLC FM Radio Salt Lake City, UT Bryan Lloyd's unique "heartfelt music is arresting in every detail...Brightly colored thickly textured melodies stir the emotions. The result is an album sure to fire the imagination. All tracks are winners!" -KUGN Radio Eugene, OR "The majesty of the Southwest and reverence for the great Earth Spirit can be felt in Bryan Lloyd's musical tribute to Monument Valley." - Kevin M. Maxwell Bodhi Tree Hollywood, CA After creating the multi-image production "Earth Spirit" for Goulding's Lodge in Monument Valley, Utah, we felt the need for more music composed specifically for driving or walking through a variety of landscapes. Each piece was created around a visual image, composed in appreciation for Monument Valley and all places where the Great Earth Spirit can still be felt. May we take care of and be grateful for all we have.
