New-age Southern Rock that jams. Great vocals and guitar. 12 MP3 Songs ROCK: Americana, ROCK: Jam-band Details: "...they fit neatly into that funky southern blues-rock vein--but their original songs, especially "Three Rivers Point," which would sound fine on any Gov't Mule album, are outstanding and set them apart from many other similarly accomplished bands." (Mick Skidmore, Relix Magazine) "...It's most likely a safe move to add Captain Soularcat to the growing list of young bands helping to put Georgia on the map (once again) as a musical hotspot..." (Mark Pantsari, The Post and Courier, Charleston SC) "Captain Soularcat's new release, THREE RIVERS POINT, is a combination of intimate portraits and epic tunes, spanning the inner trappings of the human experience and the vast expanses of the American landscape. The songs are deep in blues, Southern Jam and roots groove." - Dean Poling, Valdosta Daily News 2004 "..(from) Rome GA, Captain Soularcat brings a wildly energetic and soulful southern rock to the desert. Homegrown sounds with a bluesy soul...one hard rocking band, best experienced live and in person." (Steve Brown/Desert Post Weekly/Joshua Tree, California)
