Details: Welcome to the world of CHIPZ DA GENERAL, born Shakir Seagers, repping the Bronx and Kingsbridge until the cradle rock. I have wrote rhymes since I was 9 years old, I remember me writing my first rap on the Amtrak with my big brother Cashes right theyre encouraging me. In my years on this earth I have been through a lot of pain and struggling losing my Mother, my Grandfather, and my Best friend; an I know them or my living family wouldn't want but the best for me. After 5 years of interning at Source Magazine I inherited what Gotti, Boo, and Tory taught me about the industry. As I got into a lot of trouble with the law that kind of through my ball career away and made me turn to the streets and music. Constant run-ins with law enforcements over the following years made me decide to leave the streets alone and make me take my pen full-fledged without looking back. I have taken all my pain, all of my struggling, and all the music I have listened to and inspired myself to write the rhymes that I write to this day. Rapping is my hobby, my wife, as well as my job. I'll go to the grave with music in my heart. So I'll hope ya'll vibe with me and understand where my music comes from. Thanks for taking your time to know Chipz DA GENERAL.
