The success with their music and the awards the Band has won since 1991 have been the result of hard work, love for music and trust in themselves. They pioneered the new so called New Country Music in Germany being the pathfinders for many musicians and singers in the late 90s. Here some highlights: 1. Since 1991 the CCB has performed on many international European festivals. With over 1500 concerts worldwide they have reached many thousand enthusiastic fans. While performing at the legendary "Grand Ole Opry" in Nashville/Tennessee the CCB reached an approximate audience of 20 m during the live broadcast by WSM Nashville radiostation. Its also worth to remark that the CCB has been the only German band - to the present day - that had the honour to play in the holy halls of Countrymusic within the US. 2.
