Passionate violin expression of Oriental dances especially featuring music with bars of five, seven and nine beats 13 MP3 Songs WORLD: Middle East Details: Daniel Fox is a violinist who lives and works in Pomona, California. Assisting artists are John Bilezikjian, piano; Rico Orrell, guitar, and Sotos Kappas, guitar. This music is largely the product of the many ancient dance music cultures of the countries of the Middle East. With this music tribute is paid to the rich cultures of the Middle East and to the ability of Southern California to draw to it and support the many superb artists who perform in this medium. Enjoyment, listening, studying and the freedom to travel without fear made this album possible. This cannot be done without the peace which enables cultural exchange. This music is dedicated to peace with justice in the Middle East
