

Mp3 Devin Kidd - Movin On

[DOWNLOAD HERE](#)

adult contempt rock 7 MP3 Songs ROCK: Modern Rock, EASY LISTENING: Mood Music Details: Devin is a singer,songwriter who's recorded,produced and written for several major labels along the way.Based in Albany N.Y. these days he's spent time up and down the east coast playing in bands as a lead vocalist and songwriter.He even did the west coast trip,always as an independent.He's working on a web page and hope's to have it up and running soon. Also he's workin on new material to make this cd a full length disc with Drew the guitar player and co-author of the title track on this CD.Drew's guitar which he built himself and calls it a bladerunner; a nice touch to the tracks.The players on this disc are friends Devin's played with over the years.For more info. you can write to,DEVIN KIDD P.O. Box 731 Latham,New York 12110 or send an e-mail If you enjoy drifting off to another place,I think you will find this music a nice change of pace. Devin would like to thank all the artists that had a part in putting this music together like,Drew on guitar,Bingo on bass,Rick on sax,Pete on drums,Brian on percussion and the rest of the crew. Always looking for a new love,new song,and a new place to call home. Live fast, have fun,get it in while you can . NEXT
