Southern Rock - Modern Country 10 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Rock
Details: Doug was born and raised in Salt Lick a small community in Eastern Kentucky. His family loved music and encouraged him to sing and perform at a very young age. He always had a guitar in his hand and was always ready to perform. He is known and respected locally for his building and mechanical skills. Doug enjoys the woods and loves to be out in nature. He raises and cares for many "orphaned" animals and loves to fish and hunt. Doug can be found almost daily at the "CHICKEN HOUSE" a former business place where he managed workers for construction jobs. Doug is a revered local artist and is gaining regional and national acclaim. Thank You! For your interest
