An instant dose of hugs. Erin Ford has translated her 8 years of early childhood teaching into an impossibly infectious collection of 12 original songs. 12 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: An instant dose of hugs for children of all ages! Erin Ford has translated her eight years of teaching experience as an early childhood teacher into an impossibly infectious collection of twelve original songs. Written in the perspective of a child, Erin's songs are unique in their ability to communicate everyday experiences with a sense of childhood wonder and excitement. The songs speak directly to children on a level in which they can easily relate and immediately respond to. Erin's voice has a childlike quality itself that draws children in from the start and keeps them hanging on for more. As children sing along with the upbeat tunes, adults cannot help but take a stroll down memory lane as they flashback to the innocence of their own childhood. One More Hug is a collection of songs that is meant to connect to every child in one way or another. It was completely inspired by the energies created by children at play. Their unbridled enthusiasm for life is a precious gift that is unique to childhood days. Erin recognizes this gift and is able to capture it in her music.
