Excellent Precision Vacuum Tube Blues, Digitally Captured 7 MP3 Songs BLUES: Rhythm Blues, JAZZ: Acid Jazz Details: HH Hulme, spent years studying Rock, Blues, Classical, Jazz, Learning much from legendary guitarists such as Hank Garland, Jazz great from the 1940's, the late Thumbs Carlisle, The legendary Buzz Evans, steel guitar player, as a personal mentor, and on to the many wonderful blues players, of older, and modern blues music, combining 35 years of listening, studying, playing, The GURU cd comes from 5 years of working on these tracks, working with the best musicians in the area, blues is the criteria for the first 2 tracks, killer guitar work, excellent lyrical content, recording and digital mastering with the best equipment available. Track 1 performed by Mr. Hulme, representing life's true hard facts, death of loved ones, the true meaning of being gone from the world, departure's true meaning of final reality. Track 2 performed by the Legendary Lawrence Trolinger, the best undisputed best guitarist in the State of Oklahoma, some of the meanest guitar playing I ever heard, the most riveting story content that is, This man is one of the true blues greats of our time, this is too good to be missed, 42 years of musicianship condensed into this excellent MASTERPIECE. Mr. Trolinger performed all the parts himself, building these tracks over a period of time using the finest analog recording equipment and technology available at the time, the true heavyweight of the area, dubbed 'horse' Trolinger by the musicians in the state representing the true heavyweight nature of this man's work, and raw musical talent. Track 3 performed by Mr. Homer H Hulme 111, representing some of Mr Hulme's highest quality work to date, instrumental, breaking the language barrier along with track 4, receiving airplay on the Rainbow Smoke Network, to this day, all over Europe, The United States, and some other weird countries, these songs constitute some of the best guitar playing done anywhere, granting a nomination for The World's Fastest Guitar Player Award. Track 5 performed by Mr. Homer Hulme, riveting lead and rhythm playing using

Rodger Lynn"s Adrenalin, processing sequential filter, unit, probably the coolest sound available to modern guitar players in the world today, check this one fer sure. Tracks 6 and 7 oerformed by Billie Thomas, my dad says Ray Charles hasn"t got anything on Billie, Check these sound clips out for yourself, and see what we mean., Sincerely, Homer H Hulme 111
