"Traditional metal" is back. 17 tracks of Loud Anthems about angst, lust, life, and even a couple of ballads. Oh yeah, the lead guitar solo is back as well. 17 MP3 Songs METAL: 80's Metal, ROCK: Hard Rock Details: Please welcome the makeup and leather wearin', panty and bra tearin', guitar blazin' and hell raizin' hillbillies from hell themselves, HELL HOUND, no doubt about another HELL HOUND show is underway. A HELL HOUND show is like no other in today's music scene of pogo stick bands that looked like a bunch of bums hanging around a bus stop. HELL HOUND IS a show and their debut album contains most of the classics that Kaney Jaxx-guitar and lead vocals, Ike Stonewall-bass and vocals, Stroeble Slade-guitar and vocals, and Roger Carter-drums perform in a typical HH show. From the opening crash of "Release The Hounds" to the grinding rhythms and riffs of "On Your Trail", "Rocks Lone Warrior", and "Bottle By My Bed" to the tongue in cheek autobiographical "Hillbillies From Hell" and "Outhouse Blues". And Yes, the ballads are here as well with "One More Look At You" and "Good Old Days" and the pop-metalish "Til Tonight" and "Bright Lights, Summer Nights" to the classic power metal "FTGDW" (you figure it out), HELL HOUND takes you on a roller coaster ride of an album that is not unlike their shows.
