A powerful anointed voice that comes through like a " holy wind " with a preaching delivery that will light up your candles and make you praise the lord while you join in the singing, blessed by his holy hands 13 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: CD REVIEW FOR COUNTRY MUSIC ROUNDUP MAGAZINE BY:PAUL DAVIS IRMA YOUNG GOD TOOK A CHANCE ON ME HOLYWIND RECORDS Irma cleverly weaves her new ditties amid a competent bunch of conservative Nashville sessioners headed by Gene Breedon. Her non-radical departure into Holy Ghost country-gospel territory, a la honky-tonk music mood, finds her in her fully matured colours. Delightfully warm and engaging, her gutsy easy-listening vocals communicates her testimony well in her self-compositions. Modest and grass-roots it may be, but Irma should take a well-deserved bow with these thirteen nostalgic mood-inspiring goodies.
