Since then, J-5ive has caught the eye of many of the industry's top entertainers with his underground singles "Love you for the 1st time" and "I'm feelin' you." But J-5ive's talents don't stop there. He is regarded as the "TOTAL PACKAGE" because of his ability to incorporate hip-hop dance routines into his music performances. In addition, he has written and sang hooks for various R&B and hip-hop artists, earning him credit in "Street Report Magazine", and "VIBE magazine." Currently, J-5ive is a student at William Carey College where he is studying Graphic Design. His goals are to become one of the hottest R&B entertainers around.
