addictive and delicious pop melodies backed by edgy pop/rock production featuring Jamie on piano and powerful, classically trained vocals 6 MP3 Songs POP: Power Pop, POP: Quirky Details: Electrifying vocals. Driving piano rock. Unforgettable pop melodies. Uncompromising lyrical honesty. This is the music of Jamie Treadwell, an emerging young Boston-based artist. Jamie began his musical journey at age 11, touring throughout North America and Europe with the internationally renowned American Boychoir to perform at prestigious venues like Carnegie Hall and Lincoln Center-with the New York Philharmonic, Philadelphia Orchestra, and Boston Pops, among others. Now he's teamed up with producer Rich Mendelson to create a unique pop/rock collection that draws on his classical background and superior musicianship-and sets him apart from the typical singer-songwriter. Standing behind 88 piano keys, Jamie Treadwell captures audiences with his engaging personality, uncompromising lyrical honesty, and rich melodies.
