Janyse developed the "The Magic of Think" from her experience with the Make-A-Wish Foundation. Four children with life-threatening illnesses made their one wish to meet her and the cast of the animated hit series Ed, Edd n Eddy. It was then that Janyse decided to create music, led by animated characters, that would build self-esteem, empower and enrich a child's life. Janyse's message is built on the belief that by igniting the mind of a child, Little Voices can Inspire Big Change. All age groups (grandparents, parents and kids) will love the variety of musical styles that range from country to pop/dance plus the fun, inspiring words based on the power of positive thinking. It will definitely get the whole family singing and dancing! Janyse is the voice of Pinkie Pie in My Little Pony (Hasbro), Sarah Lee Kanker in Kids Choice Awards, Best Cartoon nominated Ed, Edd n Eddy (Cartoon Network), Narrator of the Emmy Award winning series Adoption Stories (Alliance Atlantis Discovery), Cymbeline in Bratz (MGA) and Melissa Duck in Baby Looney Tunes (Warner Bros). Her original songs have recently been featured in Pamela Anderson's new feature film Blond Blonder, as well as the movies Making Mr. Right and All She Wants For Christmas.
